## About the Eagle Chase:

Eagle Chase Golf Club, located in Marshville, NC, stands as one of the most unique golf courses in the Greater Charlotte area. Eagle Chase's layout features drastic elevation changes on several holes, giving players a mountain golfing experience, a couple of hours east of the Appalachian Mountains. Eagle Chase is situated in northern Union County, just to the east of Charlotte. The course's green complexes require a variety of shots, as they sit both down in valleys and atop hills. Many of the tee boxes are elevated and offer picturesque views of the Uwharries in the distance.

## Supporting Youth Missions....

The money raised by the IMPACT Golf Tournament helps to send youth and adult leaders to Nassau, Bahamas this coming June 20-27th; and to the NC Carolina Coast July 18-24th. In Nassau, we will be ministering to children and community members through interacting in games and music, doing hands-on home repair projects, caring for elderly homeowners, and bringing hope to a community in need through faith sharing. At the Carolina Coast we will be helping elderly people and individuals sitting in despair on a fixed income. We will be reaching out in Christian love through our service in general repair, painting, and wheelchair ramp construction. The funds raised also help the IMPACT program to provide scholarships for youth to participate in other spiritual growth experiences, reduce the cost of trips, provide adult youth worker training for our volunteers, support local mission projects and much more. None of this would be possible without the grace of God and YOU! Lets play golf!
