
Rising 9-12th & College

Senior High International Mission Trip

June 20-27th

Mission Project

Nassau, Bahamas is a short flight from the United States and is one of the safest and most accessible locations for youth groups seeking to serve overseas and experience missions in a different culture. On New Providence Island, within the city of Nassau, are areas where families and individuals struggle with poverty in deplorable living conditions. While our youth will be able to work in one of these communities meeting the needs of people though hands-on home repair projects & construction, they will also be showing their faith by caring for elderly homeowners and interacting with children in games and music. The work our group will accomplish will bring hope to a community in need and to people who are hurting, but it is the relationships with the people we serve that we will remember forever.

Lodging & Attractions:

Groups will fly into Nassau and stay at a local church with onsite showers, gathering room, worship & dining pavilion, sports field, and a beach within walking distance. All food, ground transportation, project needs, evening programs & music are covered.

Groups will have time to walk to a local beach every day, and will have a free day to visit more beaches and the straw market. We will also have the option to charter an excursion on a boat to a private island to swim and snorkel on our free day.

Cost

$575.00 + sale of ONE golf sponsorship

(Actual Cost of Trip: $885.00)

Deposit #1: $150.00 Feb 7th
